## **1. Policy Statement**

This service is committed to recruiting fairly and safely. This policy provides a framework for recruiting and selecting appropriately experienced and qualified employees, fairly and transparently. To support the service's commitment to social inclusion the best candidate will be appointed irrespective of race, gender, disability, nationality, sexuality, age, marital status or religion.

The MC members will ensure that all staff and MC members involved in recruitment and selection are appropriately trained, including ensuring that at least one member of every recruitment panel is trained in Safer Recruitment.

## **2. Equalities**

As a Bristol City Council maintained service the management committee aspires to have a workforce that reflects the diversity of the city's population. This service will implement recruitment practices which support this aim and give due consideration to positive action, reasonable adjustments and equalities initiatives which can help to address any under representation.

The MC members will not discriminate or tolerate discriminatory behaviour on the grounds of age, disability, educational background, gender, employment status, ethnic origin, marital / partnership or family status, race, religion or belief, sex, sexual orientation, social class, transgender, working pattern or any other irrelevant factor in any aspect of employment. The MC members are committed to employing disabled people, and reasonable adjustments will be made to the recruitment procedure to ensure that no-one is disadvantaged because of their disability. If a disabled person is appointed, reasonable adjustments will be made to the workplace, including premises & equipment, duties, practices or policies.

## **3. Procedure**

This procedure applies to the recruitment of all posts in this service.

Headteacher recruitment will be undertaken by the management committee supported by the local authority (normally the service's SIO).

## **4. Prior to Advertising**

The management committee will nominate a recruitment manager. For many jobs this may be the headteacher, but the headteacher can delegate this to appropriate members of the senior leadership team.

The recruiting manager will:

- Review the need for the job. MC members should determine if the post needs to be filled, or if there are alternative ways of achieving the same results.
- Where the vacancy is not permanent ensure the reasons as to why are clear and that these reasons are put into supporting paperwork.
- Where the vacancy is a result of a restructure ensure that the trade unions have been consulted.

- Review the job paperwork - does it meet the service's current business need. Amend if necessary and for support staff posts check evaluation with the City Council's Job Evaluation team. Most support staff job descriptions are available on The Source and will have been evaluated.
- Check that the job description and employee specification do not include any discriminatory criteria and are clear and concise. A JD template can be found at JD Template
- Check that the employee specification includes a criterion under special features regarding safeguarding so that candidates and employees are aware that appropriate disclosure and barring checks will be undertaken.
- Where the post will involve working in Early Years the Employee Specification must include a criterion relating to Disqualification by Association.
- State if the job is "not suitable for job share." The City Council supports job share and other forms of flexible working. The headteacher must determine if a post is not suitable for job share.

## **5. Safer Recruitment**

This service is committed to ensuring the safeguarding of its pupils through the use of a safer recruitment process.

Safer recruitment training is a legal requirement and is available online from the Safer Recruitment Consortium (part of the NCTL) or in person from eg Trading with Schools HR or the Bristol Safeguarding Children Board. At least one member of every recruitment panel must have been trained in Safer Recruitment. The management committee will nominate at least one member to undergo the full training.

All recruitment will follow the current guidance on Safer Recruitment.

## **6. DBS Checks**

All posts in the service are subject to satisfactory DBS checks. This information should be included in the advert and the further details for the post.

If the employee is going to be working in Early Years s/he may also be covered by additional legislation (Disqualification under the Childcare Act 2006) and must also complete the relevant documentation.

Candidates' identities will be checked at interview as part of the process. The documents which can be used to check identity are shown at Appendix 7.

Any gaps which appear in an application form which are not accounted for should be followed up by questions at interview.

Recruiting Managers should check the foreign history of overseas applicants. The DBS website gives instructions on how to access other countries' information.

<https://www.gov.uk/government/organisations/disclosure-and-barring-service>

## **7. Advertising**

The service will advertise its headteacher and any deputy headteacher posts nationally, in accordance with Education law.

All jobs of three months' duration or longer will be advertised.

Internal and external applications will be invited if there is a need to improve diversity, and / or attract new perspectives.

Advertising can be restricted to an internal advert only where:

- There is sufficient diversity in the team/workgroup of the service and there are sufficient suitable candidates to compete for the vacancy.
- As a consequence of an internal reorganisation where to make an external appointment would lead to a need to reduce that workgroup.
- In the case of amalgamating schools where special arrangements apply.

A template for an advert is attached as Appendix 1

### **7a. Where to Advertise**

Advertising is important to attract the best possible applicants to apply for the job.

Posts will be advertised where they will be seen by appropriately qualified potential applicants e.g. E-teach, local newspapers, the TES, the school's bulletins/newsletters local shops/community centres. The specific location will depend on the post that is being advertised.

The service will determine the most appropriate form of advert for the post, including the use of 'signpost' adverts which will be published in the local press and specialist media, giving job title, pay and contract type. The advert will 'signpost' applicants to the service (or service's website) where full information about the vacancy will be available.

The service may consider use of the council's Recruitment Service for appropriate posts, for which there will be a charge. (Advice is available from the Resources Team Manager on 0117 35 21400)

The closing date for receipt of applications will usually be 14 days after advertising.

## **8. Applications**

The service will use the City Council's application forms for "people applying to work with children or vulnerable adults" which is available through the TWS website, and will also be placed with E-teach. (or other service provider if this has been changed by BCC)

The recruiting manager will arrange for the receipt of applications within the service by someone who is not involved in the process and has no interest in the position.

The forms will be stored confidentially until they are passed to the recruiting manager for shortlisting. Before being passed to the recruiting manager the personal details of the applicants (i.e. name, date of birth ethnicity) should be removed so that the shortlisting is undertaken anonymously

## **9. Shortlisting**

The recruiting manager and at least one other member of the interview panel will independently shortlist applicants against the essential criteria on the employee specification. The personal details of the applicants should not be known to the shortlisting panel in order to aid objective selection.

Records of shortlisting must be of sufficient detail to allow constructive feedback to be given to applicants upon request. Therefore, panel members must record sufficient reasons why applicants have not been shortlisted.

Any disabled candidate who meets the essential criteria or who may do so with reasonable adjustments will be shortlisted.

A shortlisting template is attached as Appendix 2

## **10. References**

References should be sought at the same time as candidates are invited for interview so that they are available prior to the interview.

The referee should be asked specific questions about the applicant's suitability to work with children and details of any disciplinary issues.

References should be scrutinised before the interview by the recruiting manager and should be available for the panel at interviews.

No job offer will be made prior to satisfactory references being received. No job will be offered subject to references.

A reference request template is attached as Appendix 3

## **11. Assessment Methods**

Assessment centers, occupational tests or role plays where appropriate, will be considered to aid recruitment.

Occupational tests are a useful way of selecting candidates, and require them to demonstrate their ability to undertake tasks within the job.

Assessment methods will include a face to face interview.

Advice is available from your HR provider, and the service's SIO on assessment centers and

Occupational tests.

Invitations to interview will inform the candidates of any tests or presentations which will be required

## **12. Invitation to Interview**

All shortlisted candidates will be invited to interview in writing.

The invitation will advise the day, date, time and venue of the interview and give details of the selection process which will be used. It will also ask candidates to bring suitable original documentation to check

- Qualifications
- Identity
- The right to work in the UK

A template invite to interview letter is attached as Appendix 4.

## **13. Selection**

All candidates must be subject to the same selection process which will include an interview

Reasonable adjustments must be made available to any disabled candidate and these should be recorded. Advice is also available from the service's HR Provider.

A minimum of two people will be on the selection panel and three people for headteacher interviews.

Where possible interview panels will be diverse in terms of gender and race, and where a candidate has declared as disabled, in terms of disability.

Interviews will be structured and planned.

The panel will draw up and agree interview questions. Questions should include Warner style questions (or Value-based interviews) as well as questions about qualifications, previous experience, competencies etc. The interview panel should be clear of positive and negative indicators in the answers. All candidates should be asked the same questions but supplementary questions may be asked, and questions to clarify particular information, e.g. from application form should be asked.

The outcomes of any assessment processes must be recorded on an interview assessment form. If the panel does not unanimously agree who the successful candidate should be, the panel member(s) who disagree(s) with the majority opinion or with the decision of the chair of the panel, will record their opinion on the assessment form and sign it.

Sample assessment forms are attached as Appendix 5

The assessment form will identify all those candidates who meet the criteria and are appointable and allow them to be ranked in order of merit based on the objective assessment. Candidates who meet the criteria and who are appointable but were not the best candidate on the day can be identified as 'reserve' candidates for 12 months. Records must also be kept of candidates who did not meet the criteria, with clear reasons given as to why they did not meet the criteria.

All other notes from the assessment process which panel members may have made as an 'aide memoir' can be destroyed or added to the recruitment file. Where they are included in the recruitment file applicants can request to see them under the Data Protection Act.

Records must include agreed feedback to be given to candidates upon request. Where requested, feedback should be given within 10 working days, or as soon as possible

## **14. The Offer**

Job offers may be subject to satisfactory DBS clearance, and where necessary (ie due to this not having been checked at interview or the outcome being awaited) evidence of qualifications and right to work in this country being received.

<https://www.gov.uk/legal-right-work-uk>

Template offer letters are attached to this policy as Appendix 6 (samples only, tailoring will be needed).

Successful candidates will be paid in accordance with the service's pay policy.

## **15. The Right to Work in the UK**

There are laws in place to ensure that only those entitled to live and work in the United Kingdom are offered employment. It is a criminal offence for employers to employ someone whose immigration status prevents them from working in the UK.

A potential employee will be asked to provide information in accordance with Appendix 7.

The service will check and copy the relevant pages of the documentation and retain the information on the personal file.

All job applicants will be treated in the same way and will be required to produce the relevant documentation before any job offer is confirmed. Failure to produce the relevant documentation will result in the job offer being withdrawn.

### **European Economic Area**

Nationals from European Economic Area countries can enter and work in the UK without any restrictions, just like British Citizens. The same is also the case for their immediate family members. The relevant documents will be checked as above.

See Appendix 8.

## **16. Administration**

The headteacher must complete the starter documentation needed by the service's payroll provider. A copy of the application form and offer letter will be sent to BCC to [twshadmin@bristol.gov.uk](mailto:twshadmin@bristol.gov.uk)

## **17. Commencement of Employment**

All new starters will receive a starter pack from the service which will include the service's Employment Handbook for Staff and Code of Conduct declaration.

## **18. Induction**

Induction is a continuation of the selection process. The line manager needs to effectively structure induction to ensure that new recruits are properly integrated into their job and the service.

## **19. Probation Period**

All support staff appointed to this service are subject to a six-month probation period, including those with previous local government service gained with an employer other than BCC.

Probation is an important time for both managers and new staff to settle in to a new role and to identify whether they are able to undertake the job to the required standards.

Managers should use the service's probationary policy and guidance documentation below to structure and record the probation period.

## **20. Complaints**

Complaints regarding the appointment process should be made in writing to the headteacher (or chair of management committee where the complaint is about the headteacher).

If the complainant is not satisfied with the response given s/he can appeal against it to a panel of members.

Support and advice for the headteacher/MC members is available from the service's HR provider.

I enclose a job description and employee specification for the post, and a questionnaire to be completed if you are the current, or former employer of the applicant.

If you are not a current or former employer of the applicant, please supply a character reference.

Our recruitment policy places great emphasis on references. Candidates can only be appointed on receipt of satisfactory references. Any delay in receiving the reference could delay this appointment should the above named be the most suitable applicant.

The interview panel should record their assessment of the candidate by awarding a score for each question asked; scores indicate:

Met the required standard in part	2
Met the required standard	3
Partly exceeded required standard	4
Excelled	5

The interview provides the manager with the opportunity to explore in more depth the candidate's knowledge/experience/ability in key areas of the job. Questions should be formulated in a way which tests competences / job requirements, as set out in the employee specification and you need to test at least 2 competencies from the Competency Framework relevant to the job.

Supplementary questions can be asked to follow up a candidate's response to core questions. Please ensure that these are recorded.

In finalising the assessment of each candidate, the results from (i) a presentation, (ii) test or assessment centre results (if used) should be included on this form. The interviewing manager should determine how the relative scores from the interview, presentation and tests/assessment centre should be weighted, to determine the successful candidate.

Please remember that assessment documentation may be subject to recruitment audit. Each panel member should record questions and answers in sufficient depth to make the panel's final decision transparent.

Notes should be objective, legible and clear in content, as candidates have the right to request to see their own assessment form. Files should contain all candidate assessment forms with the appropriate signatures.

**Interview Assessment (Summary)**

You can insert as many boxes as necessary on the interview assessment form, but each question should have a separate box and score. Supplementary questions should be recorded on the interview notes form, but the score awarded the question will be included in the core question.

## **Appendix 8 – Countries in the EU and EEA**

The European Union (EU) is an economic and political union of 28 countries. It operates an internal (or single) market which allows free movement of goods, capital, services and people between member states.

EU countries

The EU countries are:

Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden.

The European Economic Area (EEA)

The EEA includes EU countries and also Iceland, Liechtenstein and Norway. It allows them to be part of the EU's single market. Switzerland is neither an EU nor EEA member but is part of the single market – this means Swiss nationals have the same rights to live and work in the UK as other EEA nationals.

There has been no change to the rights and status of EU nationals in the UK, and UK nationals in the EU, as a result of the referendum.
