Falkland Road Classes are open to all students.

Dear parents.

As you will be aware the current lockdown directions from government differ to those in previous lockdowns.

As a Pupil Referral Unit we have a duty to remain open and to strongly encourage all students to attend our classes at Falkland Road as per usual.

We can do the best for our students who are taught in our Falkland Road classes when they come to Falkland Road to attend their lessons.

The infection control measures that we have put into place at Falkland Road since March 2020, and the way they have been followed by staff and students, have so far been effective in ensuring that there have been no instances where a student or member of staff has tested positive for Covid 19 due to transmission at Falkland Road.

It would give all the staff working at Falkland Road great pleasure to see all of our students coming in for their lessons.

If you have any questions please do not hesitate to contact me.

Yours faithfully.

Jim Bowyer
